

# Our COVID-19 Guidelines

## PLEASE READ.

**Thank you for visiting the Marine Museum of the Great Lakes.** The Museum is committed to creating and providing a safe work and visiting environment. As such, we ask that you please read and respect the following protocols the Museum has put in place to mitigate the spread of COVID-19 and ensure the safety of our staff and visitors.

- Face-masks **must** be worn at all times;
- Hand sanitizer is available for your use, but you are encouraged to take your own precautions;
- Please use accessibility button to open doors;
- Access is limited to **no more than 4 visitors** from the same group at a time. The group must be of the same household or the Province's recommended 10-person social group. You will be asked to move and remain together as a group through the gallery;
- Please follow the directions of staff for access to the gallery;
- Tours are available for which we ask that you follow the directions of the staff member;
- Please refrain from touching surfaces including artefacts, display cases and furniture;
- Please respect social distancing guidelines inside the gallery with staff and outside while awaiting entry;
- If you are sick or experiencing/displaying symptoms of COVID-19, or have been outside the country or on plane with the last 14 days, please stay home;
- To help the Public Health Unit track cases, we ask that you sign-in and record contact information (phone or email) in our *Visitor Log*. This information will not be used for marketing purposes and will only be shared if requested by a local Health Unit.

To ensure the safety of visitors, the following protocols are in place;

1. Staff will wear mask when visitors or more than 1 staff member is present;
2. All public and high contact surfaces will be wiped down daily;
3. Staff who are showing any symptoms or are feeling unwell will be instructed to work from home;
4. Staff members will use hand sanitizer after each tour and non-medical facemasks have been provided for use at the staff's discretion.

The Museum reserves the right to deny access or ask a visitor to leave should a visitor not respect these protocols after reminder by staff, or they are displaying COVID-19 symptoms.

Thank you in advance for your understanding.

Museum Manager
